CityFord Building - 2 bedroom New York Style apartment

There's a kind of development that only comes around once in a generation - a synergy of iconic heritage and innovative design in an unsurpassable location.

Exquisitely designed and strikingly spacious, this New York Style apartment represents the ultimate in refined inner-city living.

This apartment showcases a fusion of old and new - the rich historical character of the CityFord Building alongside a refined architectural vision that draws out the remarkable authentic features of the building. This penthouse has been designed to maximise the flow of light throughout the residence. The exceptionally large heritage windows create a powerful sense of freedom and space.

A triumph of function and design offers an unmatched opportunity for those seeking the very pinnacle of contemporary warehouse living.
