Superb Oceanfront Opportunity With DA Approval

Commanding a magnificent north facing clifftop position with breathtaking views along the dramatic coastline and far out to sea. Rarely does this unique setting become available, one of only seven homes in this spectacular clifftop position presents a DA approval to re-build a brand new three storey state-of-the-art masterpiece with unobstructed views of the ocean and waves crashing on the rock-face.

An extremely rare offering for the area, this ultra-contemporary home promises lifestyle excellence, within a stroll of Diamond Bay Reserve and the popular clifftop walk, moments to Rose Bay North and Vaucluse Villages, city buses, boutique harbour beaches and prestigious schools.
