Bright 2-Bedroom Bondi Beach Pad, An Ideal Beachside Home

A very well maintained 2-bedroom home in an Art Deco block, this apartment makes for an ideal Bondi pad being a quick walk to the beach. Situated at the rear, northern side of the block, it is a calm, peaceful and sunny residence, ideal for the first home buyer or investor looking to get into the ever-popular Bondi market.

Benefiting from a renovated kitchen, with Caesarstone benches, modern appliances and dark oak wooden floorboards, the home opens further to a comfortable carpeted living space. Retaining deco touches such as arched doorways, this is an appealing area, leading onward to the bedroom spaces at the rear.
