Spacious home offering quintessential family living in quiet yet central Bondi location

A fantastic family home in a prized position, 98 Anglesea Street, Bondi offers endless space, light and lifestyle appeal. Spread seamlessly across multiple levels, the sophisticated floorplan flows through to an open lounge and meals area bathed in easterly sun. Cantilevered stairs create architectural impact, while the gourmet kitchen acts as a central focus for gatherings within the social heart of the design.

Alfresco enjoyment is encouraged with a choice of outdoor areas, from two east facing balconies to the rolling lawn embraced by greenery.

The property allows flexibility through its generous accommodation. There are three comfortable bedrooms upstairs, alongside a fourth bedroom or home office downstairs.
