Sophisticated Family Living In North Bondi

From the breathtaking proportions to the alluring ornate features, this attached family sanctuary compromises on neither charm nor detail. Basking in sunlight and showcasing an exquisite blend of period charm and contemporary style, wainscoted living areas flow through elegant glass doors to the north facing garden. Generous bedrooms all with natural light, and exquisite marble bathrooms and huge bath. A highly desirable location at the end of a quiet and tightly-held street, this presents an exceptional opportunity.
